Production Workshop

Commercial Condition and Relevant Information

Established in December 2019, Shanghai Ican Environmental Science and Technology Development Company has always devoted itself to providing overall upgrading and reconstruction service to factories by innovative technology. Given the epidemic situation, we took social responsibility and contribute to the solution of respirator shortage. Our company has invested to produce masks according to the standard of surgical disposable masks, with a daily output of 400,000 pieces.

We will provide preferential price, caring service and high quality products! Corporations and friends in need please do not hesitate to reserve from us!

Delivery time: Start from March 15, 2020.

Clients need to make a 50% down payment in advance, and pay the residual balance before delivery.

We will deliver the products according to the payment order.
